ADJOURNMENT

2024 FAIR DAYS ROAD CLOSURE – DRIFT DEMO

Drift Club Demonstration

Rocky Mountain Drift Club is requesting a road closure for the Drift Car Demonstration on Saturday August 10th from 5:00 pm until 8:00 pm. They have requested a location change to host on Saskatchewan Cres (as shown below). They have approached the business owners who would not have access to their locations during that timeframe. Administration has not confirmed nor circulated the adjacent residential neighborhood on the proposal, but if the event is approved Administration can send notification of the event to the neighborhood. There is a ball tournament taking place at the same time south of Saskatchewan Cres. And the drift show may interfere with the scheduling. At the time of issuing the agenda, administration has not been able to confirm this.

At the July 15th Council meeting, a motion to approve this event at the usual time and location was defeated due to safety and noise concerns associated with the event. Drift Demo members will be present for the Special Meeting and Council will have the opportunity to discuss and potentially resolve these concerns with event organizers.

Drift Demonstration Schedule

5:00 pm – 6:00 pm Road barriers up
 Volunteers directing traffic
 Spectators arrive and park
6:00 pm – 8:00 pm **Main event**

PROPOSED RESOLUTIONS:

Moved by Councillor _____ approve a road closure as presented on Saskatchewan Crescent on August 10th, 2024, from 5:00pm to 8:00pm for the Rocky Mountain Drift Club Drag Racing Demo, on the condition that excessive noise to be restricted to between the hours of 6:00 pm and 8:00 pm.
